

# Charity Day 2019

Charity day is happening again on 6<sup>th</sup> December 2019, Friday. The theme for Charity day 2019 is 'Summer Lovin'. The charity that we will be supporting is Cystic Fibrosis WA. Please arrange for your child to bring small denominations of 50c, \$1 and \$2 coins on the day as the amount of change available is limited. We are also trying to have a sustainable Charity Day, so students will have access to reusable cups and biodegradable trays, straws and cutlery. There will be designated bins for this. It would be greatly appreciated if you could remind your child to be sustainable and encourage them to create minimal waste on the day.

Below is a list of stalls and their estimated prices. There are **food stalls**, **snack stalls**, **drink stalls** and activity stalls. A draft map is also attached for your reference.
