

Perth Modern School – Clubs and Activities 2020

Art Club

Contact person: Ms Katie Chin (Arts and Technology)

Cost: \$20

When: Mondays after school 3.45pm – 4.45pm

Where: Art Room MU9

Objective: Community Art Mural. After the success of Stage 1 of our Mural at Studio 64 Child Care Centre in South Perth we are looking for creative students to embark on the design and creation of stage 2.

Afterschool Art Club commences Week 3. Sign Up sheet outside MU9. Limit of 25 students. For more info see Mrs Chin.

Australian Space Design Competition

Contact person: Mr Ant Meczes (Science)

When: Monday lunch time 1.03pm – 1.42pm

Where: AL8

Objective: Students will work collaboratively to design a space settlement set in a fictional solar environment, in which humans are beginning to colonise the solar system. The Australian Space Design Competition is an industry simulation experience that combines elements of Science, Technology, Engineering, Art and Mathematics (STEAM) with an emphasis on teamwork. A unique challenge and great opportunity for students to be a part of this exciting project. The club is set up in Term 1 and continues into Terms 2 and 3, with submission in late August / early September. Places are limited and students need to be in Year 9 and above. If you are interested email Mr Meczes at

Anthony.meczes@education.wa.edu.au

Badminton Club

Contact person: Mr Jan Sonder-Sorensen (Health and Phys Ed.)

When: Mondays after school 3.30pm – 5.00pm

Where: Tyler McCusker Sports Centre

Objective: Students are welcome to leave at any time, there is no commitment to attend. It is a casual club for students to play against other students in a casual, fun environment.

Chess Coaching for Girls

Contact person: Ms Leanne Ensly (Mathematics)

When: Tuesdays lunch time 12.46pm – 1.27pm

Where: AU15

Objective: You will receive individual coaching to either introduce you to the game or improve on your skills. We are aiming to build the state's top girls chess team.

Chess Coaching

Contact person: Ms Leanne Ensly (Maths)

Cost: \$80 per term (professional coaching)

When: Tuesdays after school 3.15pm – 4.45pm

Where: AU15

Objective: All levels of ability are welcome to attend. The session is run by Jay Lackner who is a professional chess coach and an engaging teacher. Parents can pay this in the Qkrapp but you are welcome to a couple of trial sessions before paying. If you have an interest in strategies and winning, you will enjoy these sessions.

Cricket Club

Contact person: Mr Scott Marshall and Mr Jan Sonder-Sorensen (Health and PE)

When: Wednesday before school 7.30am – 8.30am

Where: Cricket nets

Objective: To improve cricket skills and strategies in students Years 7-12.

Dance Club

Contact person: Ms Melanie Wilcock (Health and Phys Ed.)

Cost: \$8 per session via Consent2Go

When: Mondays after school 3.40pm – 4.30pm

Where: In the upstairs boys Gymnasium

Objective: To learn some dancing skills, increase your confidence and have fun whilst meeting new friends. Open to all year groups and experience.

Semester 1 - Hip Hop / Jazz genre

Semester 2 – Contemporary Dance

Design and Technology

Contact person: Ms Dylan Trent (Arts and Technology)

When: Tuesdays after school 3.20pm – 4.50pm commencing Week 5

Where: Gardham Building – Work Rooms

Objective: Students interested in design and technology are welcome to come and work on projects that focus on design and making through digital design and fabrication. Focus is on the use of 2D and 3D Computer Aided Design (CAD) using AutoCAD, Fusion 360, and SketchUP in conjunction with digital fabrication techniques that employ the LASER cutter and 3D printing technologies. All years are welcome.

Drama Club (Years 7-9)

Contact person: Sally Floyd (Head of Arts and Technology)

Cost: \$160 per term

When: Thursdays after school 3.30pm – 5.00pm – commencing 5 March

Where: Casey Theatre

Objective: WA Youth Theatre Company offers an intensive 10-week performance program run over term 1 and 2, with a focus on the development of core acting skills including voice, movement, improvisation, character creation & ensemble work. These skills will be developed in tandem with the casting and rehearsal of a small set of 5-minute plays written for teenagers. (This requires a minimum number of students for it to run)

Fencing Club

Contact person: Mr Mark Muir (Head of Health and PE)

Cost: \$20 to be paid to coach Tuko Maia.

When – Monday (beginners) and Friday (experienced) after school 3.30pm-5.00pm

Where: Upstairs old gymnasium

Objective: Learn fencing skills and prepare for competition with UWA fencing coach Tuko Maia.

Future Problem Solvers Years 7 - 11

Contact person: Mr Michael Dean (Maths)

When: Tuesdays lunch time 12.46pm – 1.27pm

Where: Andrews Building AU16

Objective: Students will be working in teams to participate in the Global Issues Problem Solving Competition where they will learn, practise and apply the skills in problem solving.

Games Lunch Club

Contact Person: Micah Sinclair (student)

When: Tuesdays lunch time 12.46pm – 1.27pm

Where: BU14

Objective: Students of all years are welcome to bring games along to play.

Gaming Club

Contact Person: Mr Dervish Musovic (Arts and Technology)

When: Tuesdays and Thursday at lunch time 12.46pm – 1.27pm

Where: Lecture Theatre

Objective: Opportunity for students of all years to be supervised while playing video games. NO first person shooting games are permitted.

Gardening Club

Contact person: Mr Gerard Mazza (English)

When: Mondays lunch time 1.03pm – 1.42pm commencing Week 5

Where: In the School Garden, near Stokes

Objective: To help make the School Garden thrive. Learn how best to grow fruits, vegetables, flowers and natives – you even get to eat things you have helped to grow! Come with a hat, sunscreen and a water bottle while it is hot.

Homework Club

Contact person:

Monday – Science – Mr Alistair Norris **Monday** – Maths Tutoring Mr Mark White in AU14 3.30pm – 4.30pm

Tuesday – HASS – Mr Oliver Paranchody **Wednesday** – Maths – Mr Jamie Morris **Thursday** – English – Ms Rourke

Time: After school until 4.30pm

Where: Library (except for Maths with Mr White on Monday)

Objective: Receive specialist tutoring from teachers.

Interact – Community Service Club

Contact Person: Ms Jessica Lhota (HASS)

When: Mondays after school 3.30pm – 4.00pm

Where: TML3

Interact is a community service club, affiliated with the Rotary Club, which is run within the School.

International Maths Modelling Competition (IMMC)

Contact person: Mr Glen McClelland (Mathematics)

When: Fridays lunch time 1.03pm – 1.42pm

Where: Andrews Building AU14

Objective: To promote mathematical modelling, encouraging participants to explore the application of mathematics in real situations to solve problems of importance.

Japanese Homework Club

Contact person: Mr Matthew Todd and Ms Kanuko Matsuo (Languages)

When: Tuesdays after school 3.20pm – 4.20pm

Where: MU1

Objective: For students who would like to have help with their Japanese study and to further extend their skills. Both junior and senior students are welcome. It is a great opportunity for students to have extra support in a small group setting

Magic the Gathering Card Club

Contact person: Micah Sinclair (Student)

When: Mondays lunch time 1.03pm – 1.42pm

Where: Gardham Building G2

Objective: Play with 'Magic the Gathering' Collectible cards.

Renga Club

Contact person: Mr Gerard Mazza (Languages)

When: Irregularly at Thursday lunch time. Most activity occurs through Connect. Contact Mr Mazza for next meeting dates

Objective: Members of this club will write renga, a form of collaborative poetry that originates from Japan. Join this club for the opportunity to work together with others to share and develop your creativity.

Techno Club

Contact person: Mr Walter Wilson (Arts and Technology)

When: Thursdays after school 3.30pm - 4.30pm

Where: MU7

Objective: Everything technological and creative. Students are invited to experiment, play and create digital technology products. The Techno Club is the place to develop games, create digital graphics, 3D printing, make robots or any other technological idea is supported. This is a fun and educational club. Numbers are limited.

Titration Stakes

Contact person: Mr Christopher Rapley (Science)

When: Wednesdays after school 3.15pm – 4:30pm

Where: AU24

Objective: The Titration Stakes is a national competition run by the Royal Australian Chemical Institute designed to encourage students who enjoy Chemistry, particularly its practical side, to develop their skills and reward those who attain a high level of proficiency. Participants learn team work and precise analytical skills as they determine the amount of acid or base solutions contain. Skills honed will assist students with their year 12 chemistry course as well as aspects of chemistry related courses at university. The competition is open to all senior school students.

For more details see <https://www.raci.org.au/branches/wa-branch/chemical-education-group534>.

Tournament of Minds

Contact person: Mr Khuan Chua (Mathematics)

Cost: Years 7-10 \$80 Years 11-12 \$70

When: Tuesdays lunch time 12.46pm – 1.27pm

Where: Room AU20

Objective: TOM is an annual competition designed to encourage the development of higher order thinking skills and creativity in students. The competition is suitable for Years 7-10 students who have a passion for problem solving, team work and performing on stage, enabling them to demonstrate their skills and talents in an exciting, vibrant and public way. See www.tom.edu.au for more details.
