

# Experience ECU October | Year 9 & 10's Business & Law, Engineering

Experience what it's like to study at Edith Cowan University. You'll be able to explore our campus, ask questions of our current students, find out about our courses and learn about our entry pathways. Experience what ECU has to offer by taking part in a variety of workshops in our real-world facilities. This program aims to give you an insight into what it's like to study at ECU.

Participants go into the draw to win awesome prizes!  
**ALL students must be registered to attend.**

**Date:** Thursday 2 October 2025

**Time:** 9.00am - 3.30pm

**Location:** ECU Joondalup, Meet in Building 7.101 Lecture Theatre

## WORKSHOPS

### Rules of Evidence - Moot Court

How are things really proven in court? A chance to participate in a simple Mock Trial, giving students the opportunity to develop skills in a simulated legal environment.

### Gaddie Pitch - Shark Tank Showdown

Master the art of persuasive communication using the Gaddie Pitch technique! Craft compelling "Shark Tank" style pitches. Prizes for the Best Pitch.

### Engineering Concepts

Work in teams to design and construct a bridge from only basic materials, whilst also taking into consideration cost of design.
